All goes well here &
Miss Parist is a huge
success.

Are you not happy
about the Irish Ref. Co. -?

Miss H. B. has much
enthusiasm, a good
deal of power, strong convictions
& no prejudices - also
she is convincing.

agreed, & thought with
pleasure - but a too-much

recollect little things outside
of his immediate work,
& I did not urge the point

I was unwilling to bore him
with the subject. However
Mr. Hirschhold had a few
minutes purposeful talk
with him.

My Dearest:-

And was it really
on the Wednesday & Thursday
of this ^{last} ~~very~~ week that - you
gave us that delightful
24 hours (- sleep)!

It was a very interesting
new acquaintance
with Michael whom I had
last seen in my storeroom!

He came here on Monday
& Tuesday, & I arrived

rather the warm - tho.
 we had a comfortable morning
 not too hot. & yesterday
 we had some blessed heavy
 thunder showers.

Don't you think Miss
 Wile's papers will do? I
 have sent them on.

I fear we can't get
 the rest of Mr. Household
 for Sep. as he has offered
 it to the Hibbert - & saying
 that we'd send it to Contemporary

How amusing that
the wine 'shd be the
most commonplace!
And what was Lady A
about not to have made
its acquaintance?

Thank you for sending
me Penny's interesting
letter. What good work
she is doing!

I have from W. H. Henthley
 that Miss Mason (of
 the Southport bldg. etc.)
 has been to see Miss
 Ambler, but I have not
 yet heard from her.

She was much delighted
 with every thing.

Give our love to Miss
 Webb & Michael - &

With a great deal of
 your dear self.
 ever yours

from Watsworth - The poem, &c.
we can draw up later.

Thank you for the fls. report.
It is wonderfully good. I
wish we could get it into the

full.

I was going to suggest a few extra
pp. but - we cannot get in less
than a sheet.

We have read "The Dangerous Age" -
it is very illuminating & is the
sort of thing we ought to know
for we have to contend against
it. (4 follow)
Isn't the enclosed letter nice?

That is just what we want. - We
want the Parents to make a stand
